MOTEL FOR NATIONAL H.O.G. RALLY - I have names on the twenty (20) rooms I blocked at the Days Inn in Asheville, North Carolina. I requested and got ten (10) more and have two of them booked. If you have any idea that you will need a room in Asheville for the rally, PLEASE let me know right away. The Days Inn has blocked rooms for a H.O.G Chapter from Pennsylvania and with the call in, there are not many rooms left. If I have to ask for more, I might not get them. Let me know!

WILLIE G. TICKETS FOR SETTING UP AND LEADING A RIDE - As an incentive to get Atlanta Chapter members involved in setting up and leading a ride, we are giving TEN (10) Willie G. tickets. The ten tickets are not for suggestions but for planning and executing a ride from start to finish (only one (1) ride per member). You need to let me know at least one month in advance of any ride date and your plans so the date and schedule can be confirmed. Get your thoughts together and let me know where and when you would like to host a ride for the Atlanta Chapter.

APOLOGY TO LARRY LUKE - Gail sends her personal apology to one of our good members who was offended by her remarks in the last issue of HOGWASH about penalties imposed by insurance companies.

ATLANTA CHAPTER MEMBERS "DO GOOD" AT WORLD OF WHEELS - The Atlanta Chapter H.O.G. members' outstanding collection of (SHOW) motorcycles was a BIG HIT at the 21st Edition of the World of Wheels. We made such an impression on the "Wheels" of the International Show Car Association (ISCA) that they have already asked us back for the Thanksgiving Show in November. They said we could even have more space. This show, as far as the Atlanta Chapter was concerned, was put together in a relative short period of time and a BIG THANKS to Jim and René Durham for putting the show together for us...you did good. A BIG Thanks to David Dodd and Miller Beer for providing our Motorcycle Information and Name Cards, they looked great. We have til November to think about a display (if we want to do it again). Thanks to all who entered their motorcycles and to all the Chapter Members for the help in setting up, taking down and especially for those who spent their time watching the motorcycle and talking to the people about the motorcycles and the Chapter. We could have used a lot more help in this area. Every member that entered their motorcycle for Judging won a trophy as follows:

Road Class - Second Place Bones and Amelia Christopher
Third Place Jim and René Durham

Side Car Class - First Place, Walt and Jann Jones

Competition Class - Third Place, Ron Higgins

Semi Class - Fourth Place, Dale Moorefield

Mild Class - First Place Jim and René Durham
Second Place, Ron Higgins

Conservative Class - First Place, B.K. Ellis
Second Place, David Brooks
Third Place, Walt and Jann Jones
Six Place, Gary Bell

Outstanding Paint on a Motorcycle in Show - Jim and René Durham

Outstanding Motorcycle in Show - B.K. Ellis

The Atlanta Chapter H.O.G also received a plaque for having a Club Display. Congratulations to all Trophy winners and Thanks for an Outstanding Job. If you are interested in showing your motorcycle in the Atlanta Chapter Display in the Thanksgiving World of Wheels, let René Durham know by April 1, 1988. We want to get all participants together and get the display started so we won't have to improvise at the last minute.

CYCLE NUTS AND BOLTS CABIN FEVER PARTY V - WE DID IT! Congratulations to all that helped by being there. The Atlanta Chapter won the trophy for having the most club members in attendance at the Cabin Fever Party. We now know how the Norton, whatever that is, Club has been winning the trophy for the largest club...right, Earle Flynn? Cycle Nuts and Bolts is an after-market dealer of mainly Gold Wing products. When they have a party and the largest Club there rides Harley-Davidson motorcycles that should tell them something...I think it is great. They were somewhat awed by the results...I don't think they wanted to announce it. They didn't even have the trophy there, they said it was at the engravers, probably having the Norton Club's name removed. We had a great time meeting old friends and making new one, that is if you got up and mingled, right, Jim and René? Chapter Members Jim and René Durham and Dell Henry won door prizes and Mr. "Willie G." Barry Lambert won the 50/50 drawing of \$85 that the Women on Wheels sponsored...congratulations Barry G.

Preceding the Cabin Fever Party there was an Antique Cycle Show. Congratulations to Phillip and Laruel Huff for winning the trophy for the BEST OVERALL Harley-Davidson motorcycle in the show. It was a very gratifying night for the Atlanta Chapter H.O.G, it's Members and Harley-Davidson. Keep up the GOOD work. We'll show "THEM" that Harley-Davidson people and Harley-Davidson motorcycles are winners.

LUNCH RIDE JANUARY 31 - It was almost a perfect day for motorcycle riding. The temperature was in the sixties and sunny for part of the afternoon. It was just what the doctor ordered for Cabin Fever, The turnout was fantastic. Great to have Marry Harris, Leah McNutt and Jim Dominy on their first ride with the Atlanta Chapter. I hope you enjoyed the fellowship and ride and plan on doing it again as time permits. After a big lunch at Sonny's B-B-Q, we rode to Pine Mountain, Georgia (except for David and Debra Brooks, when we left Sonny's, David was still eating). After a few missed queues, we managed to get our act together for a great afternoon of riding. Even though it got a little cloudy, we made the ride without a drop of rain.

Guess who we ran into on top of Pine Mountain?, Willie G. He was there giving out Willie G. Tickets. I had said Willie G. could "pop up" anywhere but who would have thought it would be on Pine Mountain on Super Bowl Day?! I know several members that showed up for breakfast, even rode part of the ride, but did not get a ticket...they were overcome by Super Bowl Fever. The plan was to give all members a Willie G. Ticket that made it to Pine Mountain and a "whole bunch" did. Don't give up, there will be plenty of chances to get tickets...the more you participate, the more chances you will get. Just remember, Willie G. could "pop up" anywhere.

LUNCH RIDE FEBRUARY 6 - We had a drastic change in the weather since that beautiful ride to Pine Mountain on January 31. It was 24 degrees at my house and, needless to say, my motorcycle stayed in the garage. There were two BRAVE(?) and more dedicated members than me that didn't leave their motorcycles at home, Bob Baker and Tim Irvin. I thought Bob would show up on his motorcycle but I had no idea that he would have company. It is great that some members enjoy riding no matter the weather conditions. Congratulations MEN and I hope you suffered no ill effects from the cold. Bob and Tim did jump in the car for the ride over to Harold's B-B-Q for lunch. All I had to say was "Do you..." and they did. It was also great to have Dick and Suzanne Gehring and Dale Moorefield along. Were your ears burning about 12:30, they should have been. We talked about all of the "NO Shows".

BOARD OF DIRECTORS MEETING - Due to the lack of interest shown by Atlanta Chapter Members and most of the Board of Directors, we will no longer meet on the Second Tuesday of each month. All executive decisions will be handled as required between Eddie Houghton, Dale Moorefield and myself. Let me apologize for any inconvenience that I might have caused by not having the February 9 meeting. We were getting things ready for the World of Wheels Show.

ATLANTA CHAPTER ROCKER PATCHES - We just received a new supply of Atlanta Chapter Rocker Patches. They are \$15 a set and can be purchased at Harley-Davidson of Atlanta.

Discount for H.O.G. MEMBERS - The Forest Park Shoe Repair, 914 Main Street, Forest Park, Georgia, will give H.O.G. members a 10% discount on all work. Just show your Atlanta Chapter or Black H.O.G. Membership Card. They do custom leather work including sewing on patches. Thanks to Erich Kintrup for bringing this to our attention. If your business or a business you frequent will give H.O.G. Members a discount let me know. I will put it in HOGWASH.

WANTED - Hardtail Sportster frame. Call Dall Henry if you know of one. (H) 964-8861.

TREASURER'S REPORT - Robert reported at the February meeting that we have \$2147.26 in the bank.

50/50 DRAWING - Congratulations to Jim Durham who won the 50/50 drawing. Jim won \$42 with the same amount going to the Chapter. The Chapter and Jim say THANKS.

ATTENDANCE JACKPOT FOR FEBRUARY - Congratulations Bill Maddox! Bill, Your name was drawn for the February Attendance Jackpot of \$60. Since Bill was not at the meeting he does not receive the money. The \$60 will be carried forward to the March drawing. The March drawing will be worth \$70. Remember, you must be an Atlanta Chapter Member, present for the drawing and your membership in H.O.G. must be current to collect the JACKPOT.
